SUMMARY

Aspiring Full Stack Developer with experience building web applications using Java, Spring Boot, React, Angular, and MySQL. Currently working as a Full Stack Developer Intern with hands-on experience in REST APIs, responsive UI components, and database-driven applications. Passionate about building scalable web solutions and continuously learning modern development technologies.

EXPERIENCE

Full Stack Developer Intern Pinnacle Infotech	Aug 2025 – Present
- Developed and maintained web applications using HTML, CSS, JavaScript, JSP, and React. - Built responsive UI components and integrated REST APIs for dynamic data handling. - Assisted in backend development and performed database operations using SQL. - Debugged and tested application modules to improve performance and functionality. - Used Git, VS Code, and Eclipse for development, version control, and debugging.	

PROJECTS

Clinic Portal (Java, Spring Boot, JSP, MySQL)	Sep 2025 – Oct 2025
Developed a full-stack web application to manage patient records with features like add, update, delete, and search using Spring Boot, JSP/Spring MVC, and MySQL database.	
Object Detection Using OpenCV (Python, OpenCV, SSD)	Feb 2023
Built a real-time object detection system using OpenCV and the SSD model to identify and classify 80+ object categories from live camera feeds, images, and videos with 85% mAP accuracy.	
Voice-Activated Safety Device (Python, GPS, GSM)	Aug 2024 – Feb 2025
Developed a wearable safety device with manual and voice-trigger alerts to send real-time location updates via SMS; accepted at ICAMIDA 2025 for presentation.	

TECHNICAL SKILLS

Languages:	Java, JavaScript (ES6+), SQL
Web Development:	HTML5, CSS3, JSP, React.js, Angular, Node.js
Frontend Libraries:	React, Formik, Bootstrap
Tools:	Git, GitHub, VS Code, Eclipse
Database:	MySQL

CERTIFICATIONS

- Python Internshala: Basics of Python and Object-Oriented Programming. - Core Java Coursera: OOP concepts, exception handling, collections, and application development.

EDUCATION

B.Tech in Information Technology Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere CGPA: 7.03	2025
Class XII AKJC Ratnagiri Percentage: 85.33	2021
Class X RBSH Ratnagiri Percentage: 82.60	2019

ACHIEVEMENTS

- Research paper on "Voice-Activated Safety Device" accepted at ICAMIDA 2025. - Intermediate Drawing Grade Examination Maharashtra State Board Grade A.
